

Creating Grant Account in MedCompli

17 Steps [View most recent version](#) 

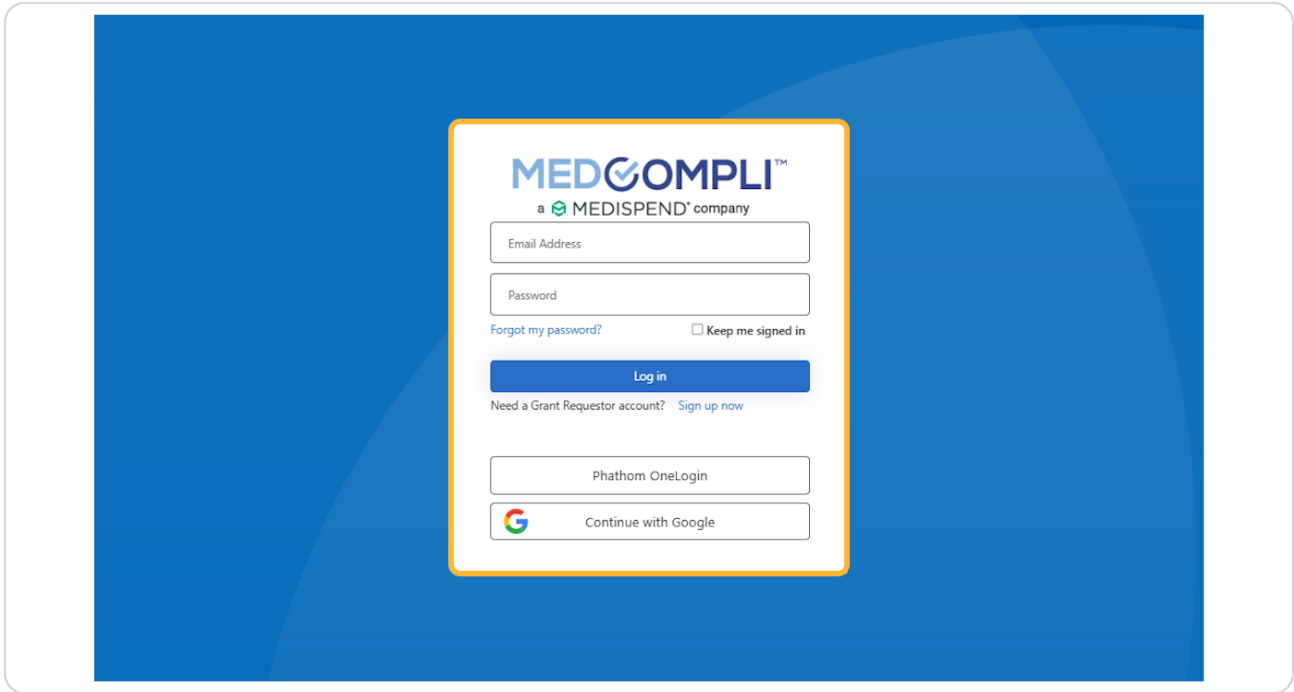

Created by	Creation Date	Last Updated
MedCompli Team	Jul 14, 2025	Aug 19, 2025

STEP 1

Go to <https://phathom.medcompli.com/>

STEP 2

This is the interface that should load.

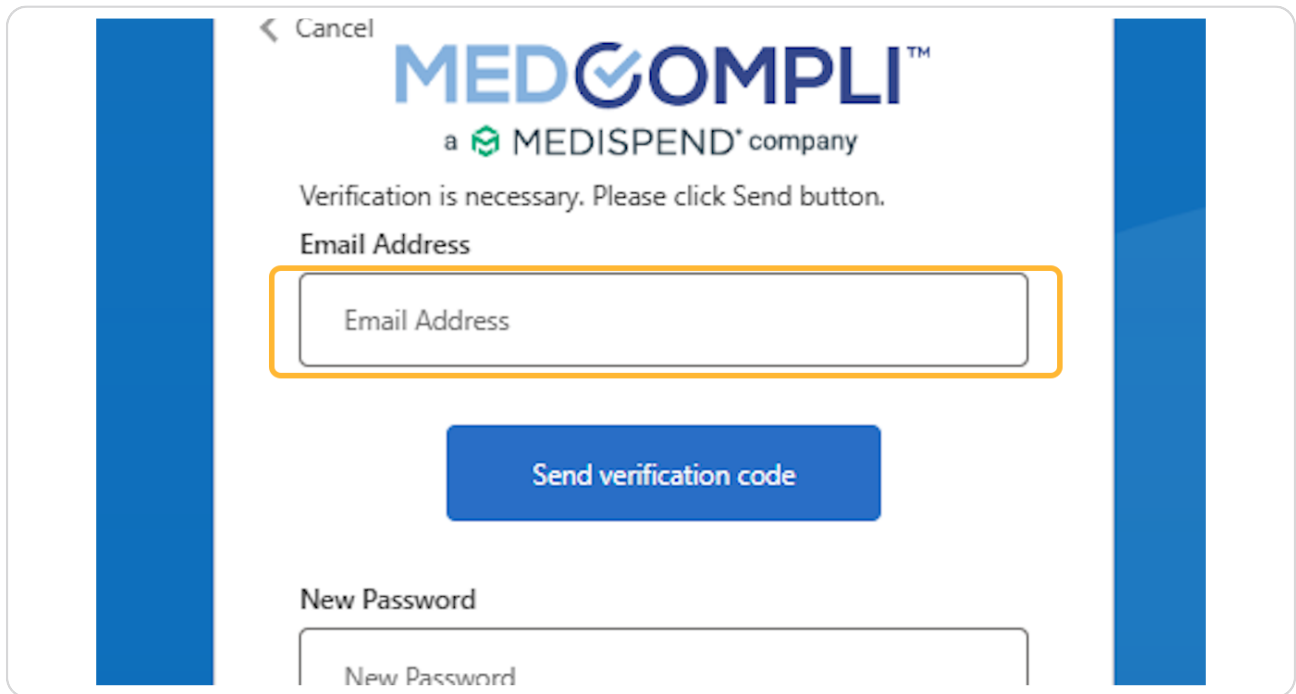

STEP 3

Click on Sign up now

The image shows a login and registration interface. At the top, there is a text input field for an email address. Below it is a password input field. To the left of the password field is a link for 'Forgot my password?'. To the right is a checkbox labeled 'Keep me signed in'. A blue button labeled 'Log in' is positioned below these elements. Underneath the 'Log in' button, the text 'Need a Grant Requestor account' is followed by a blue link 'Sign up now' which is highlighted with an orange rectangular border. At the bottom of the form, there are two buttons: 'Phathom OneLogin' and 'Continue with Google' (which includes the Google logo).

STEP 4

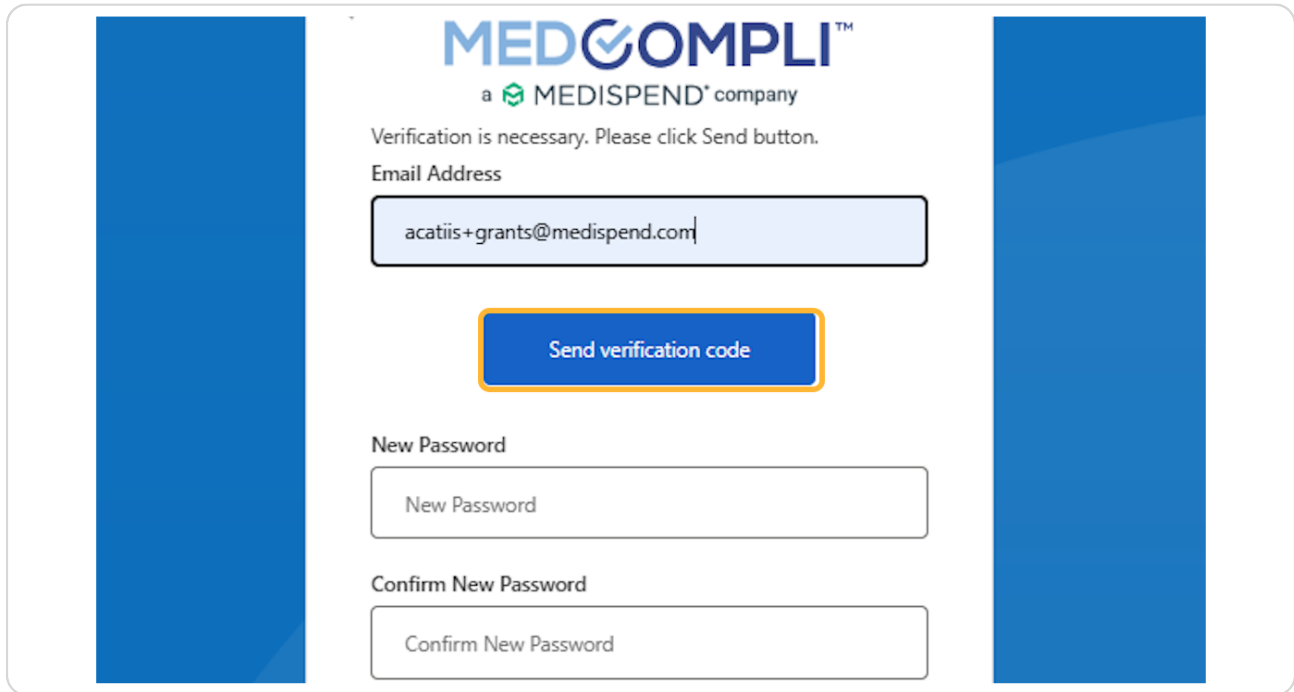

Enter your email address.

The image shows a mobile application screen for MedCompli. At the top left, there is a back arrow and the text "Cancel". The MedCompli logo is centered at the top, with the tagline "a MEDISPEND company" below it. A message states "Verification is necessary. Please click Send button." Below this, the label "Email Address" is positioned above a text input field containing the placeholder text "Email Address". This input field is highlighted with a yellow border. Underneath the input field is a blue button labeled "Send verification code". At the bottom of the screen, the label "New Password" is positioned above another text input field containing the placeholder text "New Password". The entire screen is framed by two vertical blue bars on the left and right sides.

STEP 5

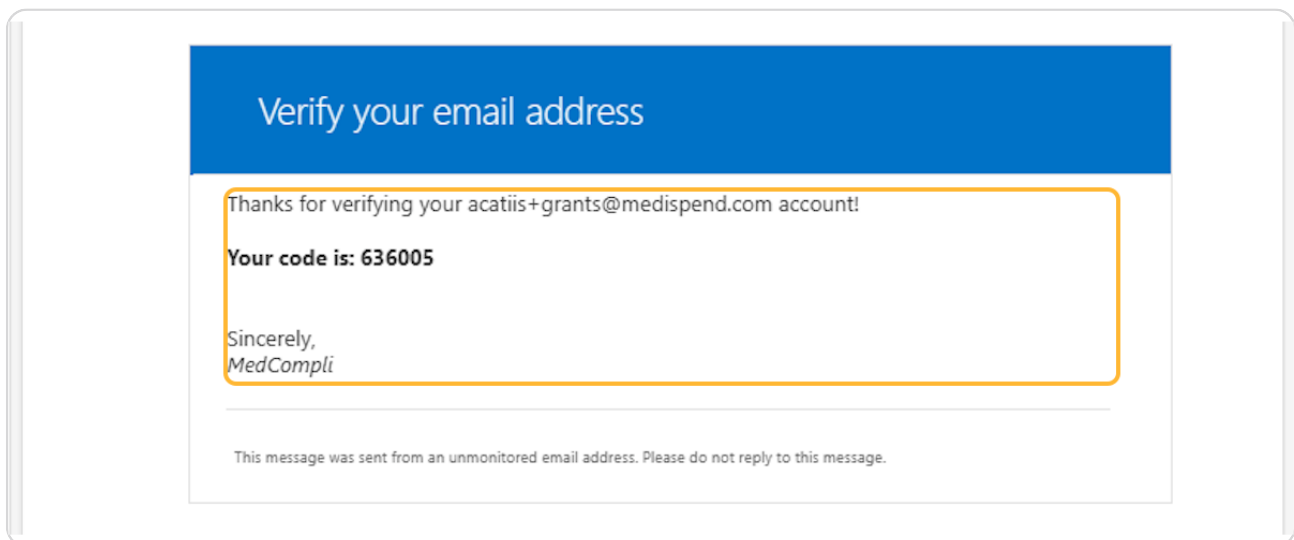

Click on Send verification code.

The screenshot shows a web form for MedCompli, a MEDISPEND company. The form is titled "MEDCOMPLI™ a MEDISPEND® company". Below the title, it says "Verification is necessary. Please click Send button." The form has three main sections: "Email Address" with a text input field containing "acatiis+grants@medispending.com", "New Password" with a text input field containing "New Password", and "Confirm New Password" with a text input field containing "Confirm New Password". A blue button with a yellow border labeled "Send verification code" is positioned between the email and password fields. The form is flanked by two vertical blue bars.

STEP 6

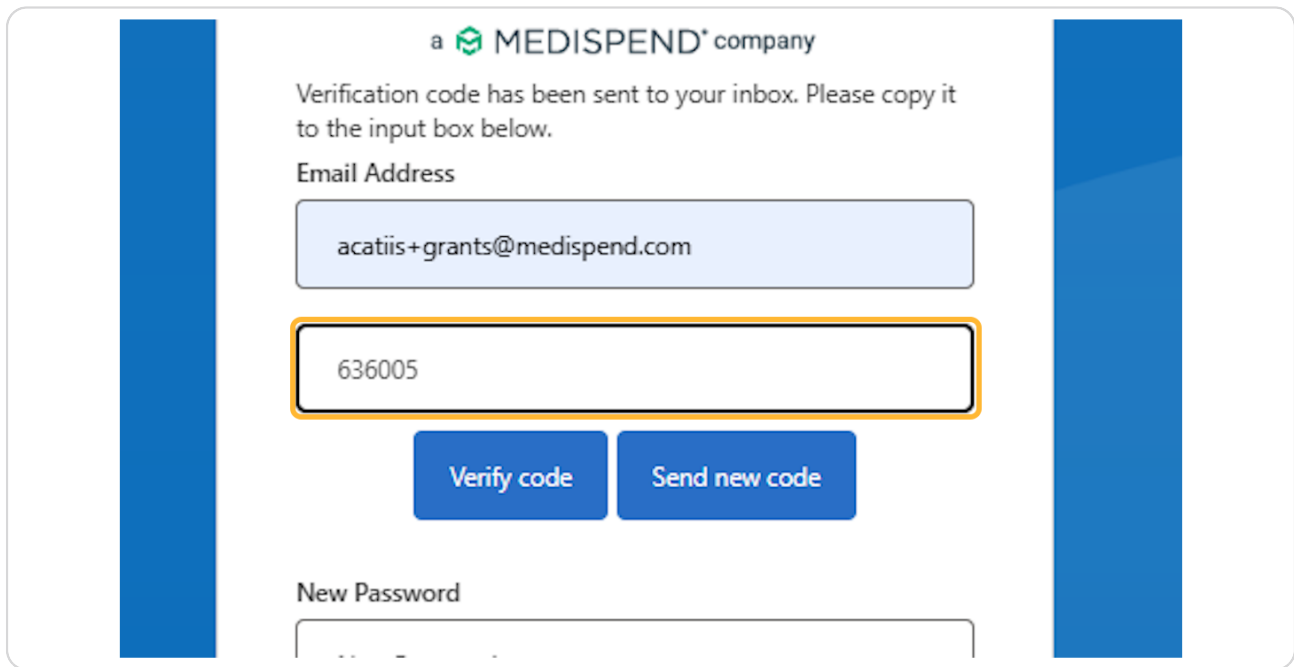

A code will be sent to the entered email.

The screenshot shows an email verification message. The subject line is "Verify your email address". The body of the email says "Thanks for verifying your acatiis+grants@medispending.com account!". Below this, it says "Your code is: 636005". The email is signed "Sincerely, MedCompli". At the bottom, there is a disclaimer: "This message was sent from an unmonitored email address. Please do not reply to this message." The email content is enclosed in a yellow-bordered box.

STEP 7

Enter the verification code on the Sign Up page.

a  MEDISPEND[®] company

Verification code has been sent to your inbox. Please copy it to the input box below.

Email Address

acatiis+grants@medispending.com

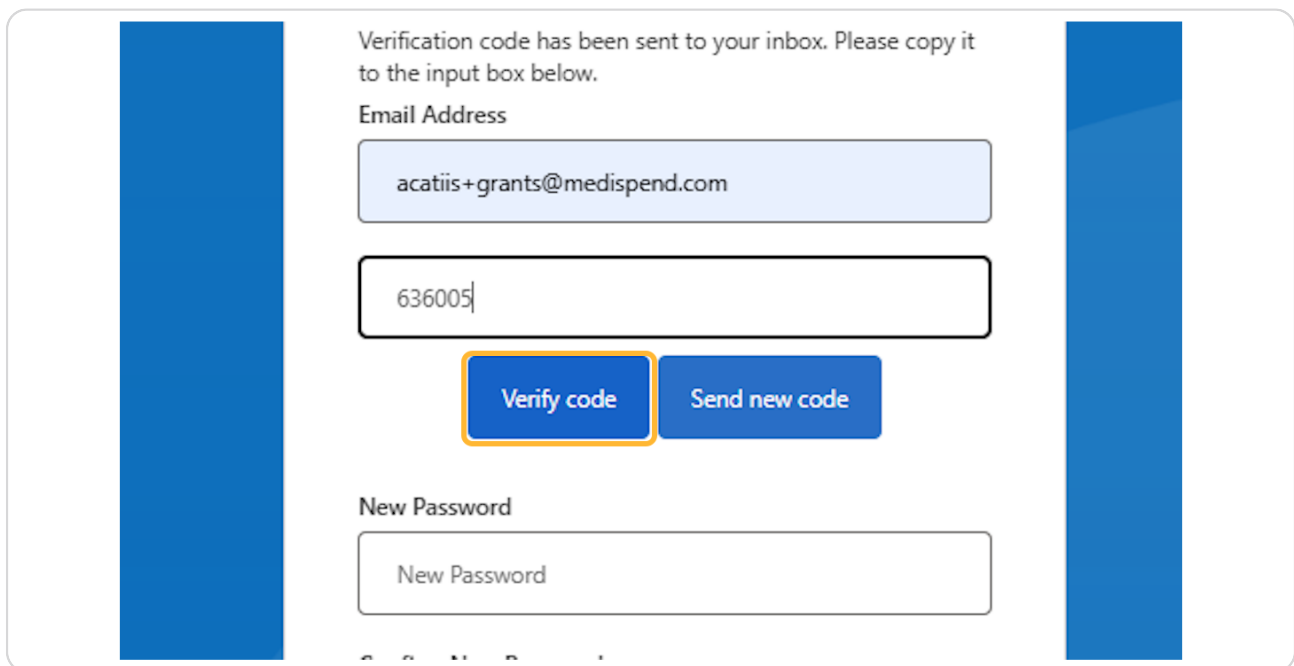

636005

Verify code Send new code

New Password

STEP 8

Click on Verify code.

Verification code has been sent to your inbox. Please copy it to the input box below.

Email Address

acatiis+grants@medispending.com

636005

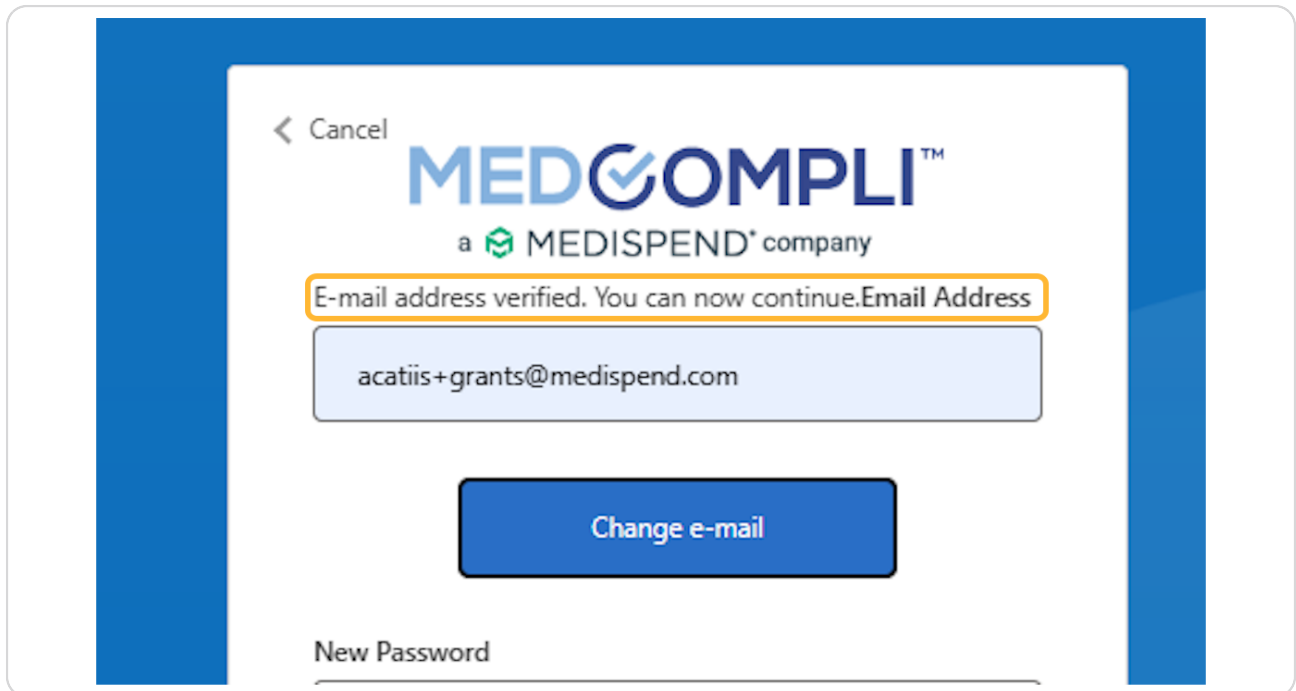

Verify code Send new code

New Password

New Password

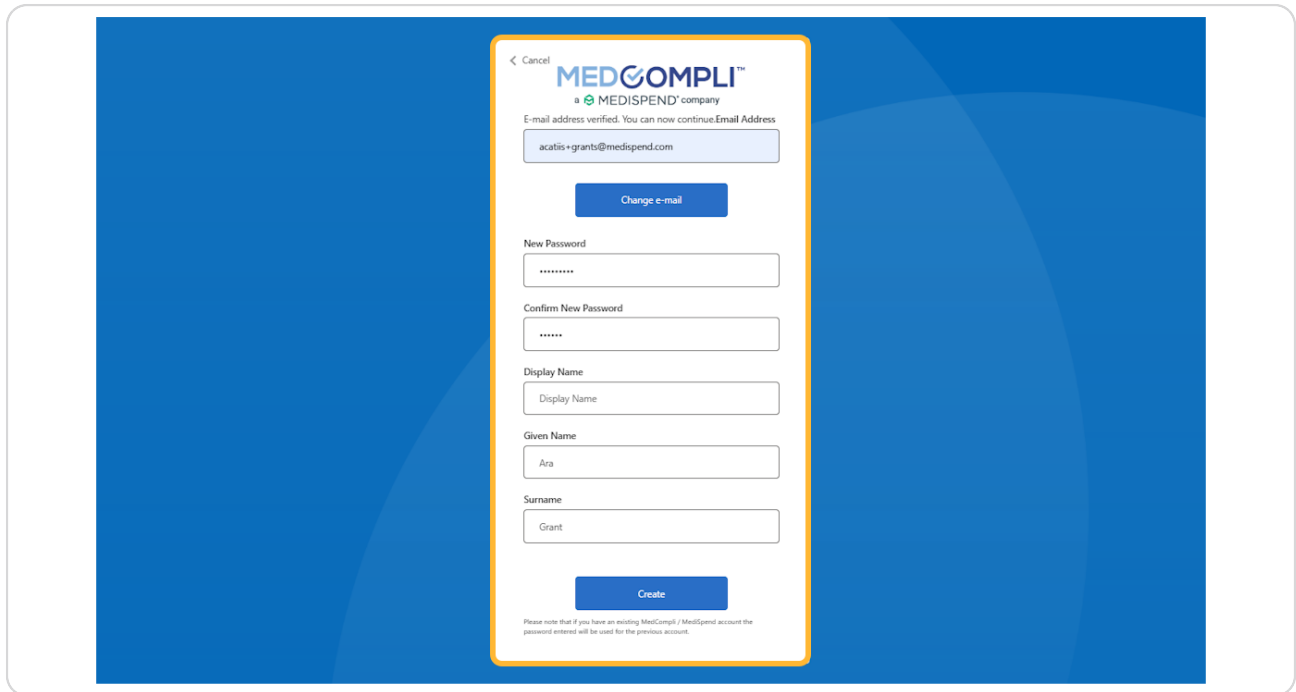

STEP 9

Wait for the confirmation of verification.

STEP 10

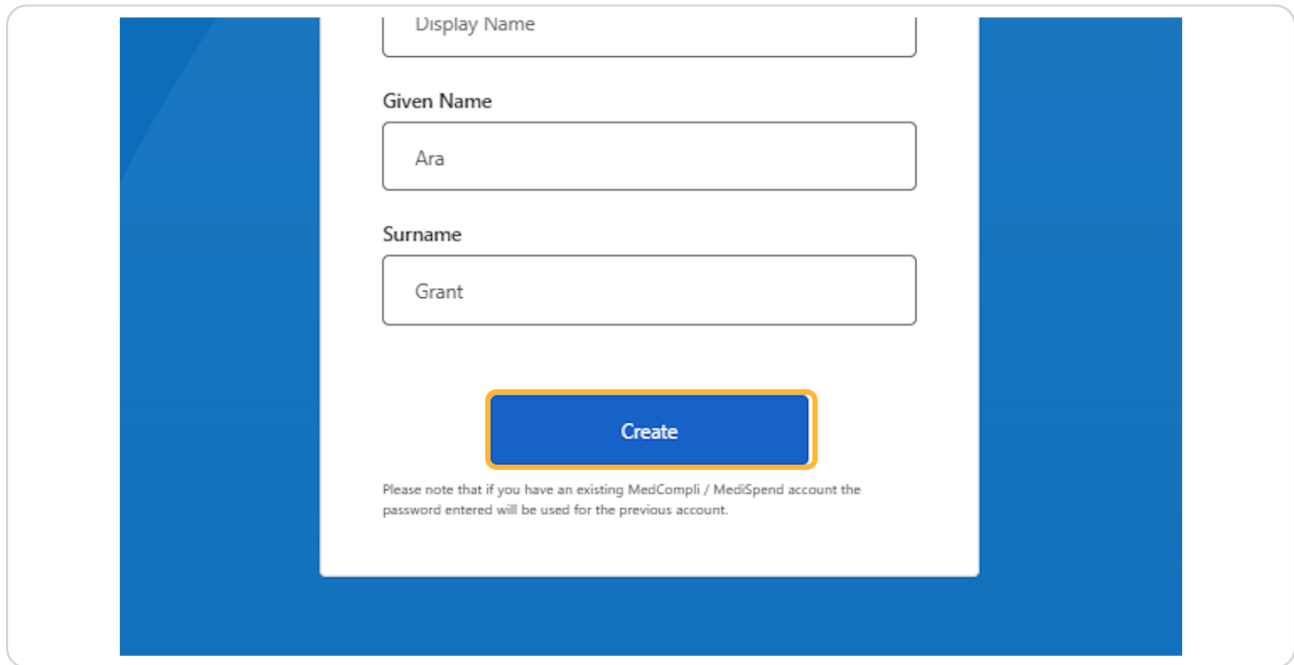

You are now required to create a new password and provide a display name, given name, and surname.

The screenshot shows a mobile application interface for account creation. At the top, there is a back arrow and the text "Cancel". Below this is the logo for "MEDCOMPLI™ a MEDISPEND® company". A message states "E-mail address verified. You can now continue." followed by the email address "acatis+grants@medispending.com" in a light blue box. A blue button labeled "Change e-mail" is positioned below the email address. The form then contains several input fields: "New Password" (with a masked password "*****"), "Confirm New Password" (with a masked password "*****"), "Display Name" (with the placeholder "Display Name"), "Given Name" (with the value "Ara"), and "Surname" (with the value "Grant"). A blue "Create" button is at the bottom of the form. A small note at the very bottom reads: "Please note that if you have an existing MedCompli / Medispend account the password entered will be used for the previous account."

STEP 11

Click on Create.

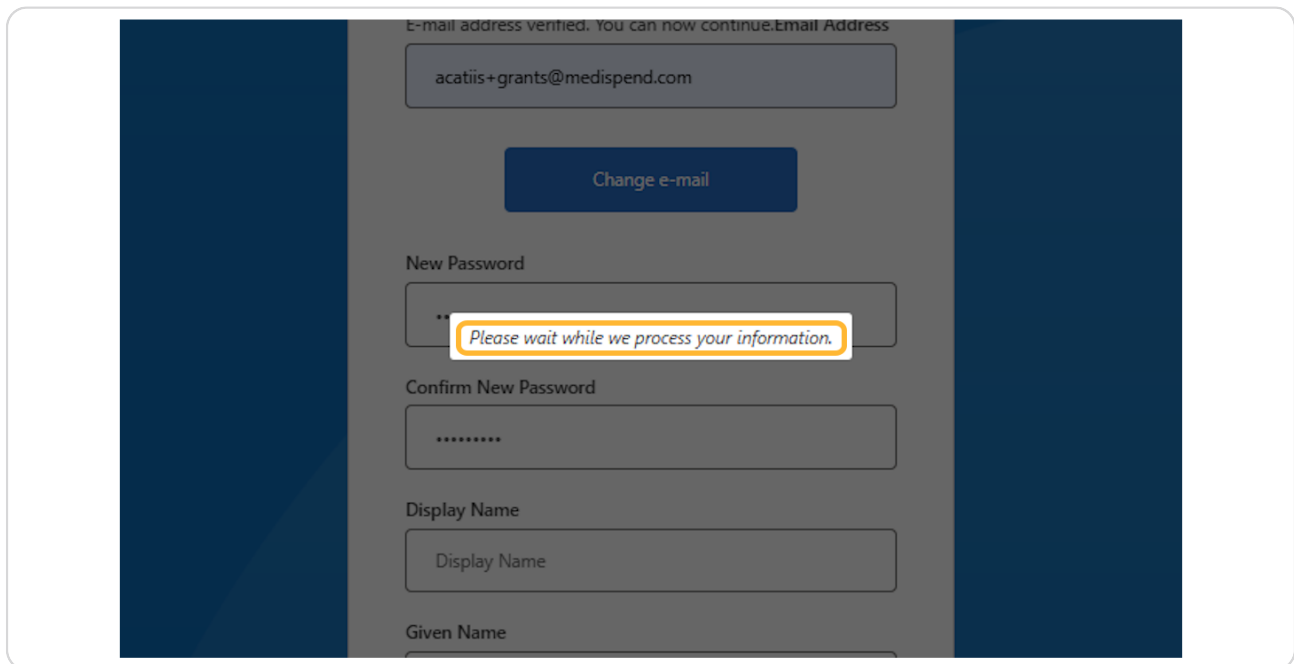

Registration form with the following fields:

- Display Name
- Given Name: Ara
- Surname: Grant
- Create button (highlighted with a yellow border)

Please note that if you have an existing MedCompli / MediSpend account the password entered will be used for the previous account.

STEP 12

Please wait while the system process your information.

Registration form with the following fields:

- E-mail address verified. You can now continue. Email Address: acatiis+grants@medispend.com
- Change e-mail button
- New Password: *Please wait while we process your information.* (highlighted with a yellow border)
- Confirm New Password:
- Display Name: Display Name
- Given Name

STEP 13

After successful account creation, you will be redirected to the Grants Portal.

STEP 14

Welcome to Phathom Grants Portal!

The screenshot shows the Phathom Pharmaceuticals Grants Portal. At the top right, there is a blue header with the letters "EG". The main heading reads "Phathom PHARMACEUTICALS" in a large blue font, with "Welcome Estrella Grant" below it. To the right of the text is a photograph of three people in white lab coats in a laboratory setting. Below the heading is a language selection dropdown menu set to "English". A navigation bar contains links for "Welcome", "My Requests", "Request Forms", and "Resources". The main content area contains the following text:

Phathom is committed to the support of Independent Medical Education (IME) and Scientific Advancement Programs (SAPs) related to therapies, disease states and other therapeutic categories aligned with Phathom's areas of medical and/or scientific interest. **Phathom will consider funding in the therapeutic area of acid-related gastrointestinal disorders**, our current areas of focus are:

- *Helicobacter pylori*
- Gastroesophageal Reflux Disease (GERD), inclusive of Erosive Esophagitis (EE) and Nonerosive Reflux Disease (NERD)

Grant requests in areas and diseases outside of our areas of interest will not generally be considered. The types of programs that Phathom supports are for the purposes of furthering objective and scientific discourse or healthcare provider and/or other healthcare-related personnel education and are independent of Phathom's influence.

Phathom will consider supporting grants for programs including, without limitation, the following:

- Accredited Continuing Medical Education programs
- Non-Accredited Medical Education programs
- Scientific Advancement Programs, such as those in which nonproprietary clinical knowledge and scientific understanding are exchanged

All grant requests should be submitted and completed on the website **at least 60 to 90 days** prior to the activity start date. Responsibility and control over the selection, content, faculty, educational methods, materials, and venue for an independent medical education event belongs solely to the organizers of the event. Phathom will not provide any advice or guidance to the independent medical education provider regarding the content or faculty for any program that has received funding.

STEP 15

Click on Request Forms.
